

Entrepreneur Self-Assessment Workbook

Section 1: Mindset & Beliefs

What beliefs or doubts have you had to overcome (or still need to overcome) to take action

How are these beliefs currently limiting your progress?

Where do these beliefs come from?

What actions or experiences could help you challenge or change them?

Section 2: Opportunity & Value

Does your idea solve a real, ongoing problem? How do you know?

Is your business a long-term opportunity or a short-term income source? Why?

What are you truly selling (e.g., convenience, results, peace of mind)?

Who is your ideal customer, and what specific problem are you solving for them?

Section 3: Risk & Execution

What specific risks are you facing (financial, social, reputational, etc.)?

Which risks are real versus perceived?

How can you break these risks into smaller, manageable parts?

What is the next concrete step you can take within the next 7 days?

Section 4: Growth & Competition

If demand increased, would you scale quickly or grow gradually? Why?

What factors influence your ability to scale (time, money, systems, team)?

How easily could someone replicate your business?

What can you do to differentiate and build a competitive advantage?

Section 5: Ownership & Action

What opportunity did you identify, and why does it matter?

What actions have you already taken to move your idea forward?

What is currently holding you back?

Where do you need to take more ownership or initiative?
